% of Total	19.8%	10.9%	11.9%	11.9%	14.9%	12.9%	17.8%			

Analysis: The number of speeders was 107, of which 7 were 40mph or above. The average speed of speeders and the frequency is spread across the week and times of day, so there is no peak to create a trend and the baseline levels are below that which Police intervention could be justified.
